CRISTOBAL HIGH SCHOOL
COCO SOLO, CANAL ZONE

FOREWORD

With the coming of the 1965-66 school year, students begin adding gems of CHS to their treasure chest of memories. Activities, organizations, and athletics provide a setting for the creation of these memories.

Activities, organizations, and athletics guide students in becoming better citizens of today. Under the supervision of the faculty, students follow a wide curriculum in becoming useful, competent leaders of tomorrow. Members of the annual staff have endeavored to capture these guideposts of CHS in the 1966 CARIBBEAN.

MR. DOUGLAS LITTON
1966 Caribbean Dedicatee

Sports are a major factor in any high school. In C.H.S., sports have infused the student body with enthusiasm and pride. We feel it is time to honor that person whose devotion has helped win countless victories for the Tigers. Those who were coached by him have been inspired with ideals of sportsmanship and the understanding of true victory—that is not whether you win the game but how you play it.

The 1966 CARIBBEAN Staff, in appreciation for his contributions to our school, do dedicate this CARIBBEAN to our coach Douglas Litton.

PRINCIPAL

Do the students currently enrolled in Cristobal High School know what the future will hold for them? When I was in high school, I did not know I was soon to be confronted with the economic depression of the thirties, that I would become a teacher, or that I would come to the Canal Zone to be employed by the Schools Division. By the same token, the students of today cannot predict with any degree of certainty what is in store for them. They do not know whether the Viet Nam conflict will be resolved or extended, how automation will effect job opportunities, or what new fields will open up in science and technology in an expanding age.

How can the secondary schools best prepare students for an uncertain future? The first concern of the school is the individual student. The school is not a machine which pours students into rigid molds from which they emerge identical to each other. Each student is an individual whose background, needs, aspirations, and capacities are different from that of any other student. The primary goal of the school is to guide the student to discover for himself what his potential is and how to acquire the intellectual tools and disciplines necessary to prepare himself for whatever new problems he will face.

PROPHECY — 1966

I am the Spirit of the Class of 1966, the result of their four exciting high school years. I have survived and profited from their homework and thrived on their glories. I am the undying personality they have produced and their achievements in the world will never be forgotten.

Traveling through the White House, President WILLIAM MONTGOMERY is deep in thought (concentrating on world affairs I hope) as he puts golf balls into his trash can. Clicking away on their IBM machines in the next room, SHARON BAILEY and CHERYL BURDGE are busily computing a favorable golf score for his game that afternoon against JON HUINKER, the world's champion golfer.

Adding new ideas to Washington, Secretary of State, KAREN HAMMOND, is now promoting a campaign to have the dome of the Capitol Building painted blue and gold to remind her of CHS.

Monetary affairs will never be the same since MARY CLEMENT of the Treasury Department reported the loss of the key to Fort Knox. Hope has been revived with the arrival of super-sniffer CHARLES WEBER as Agent 000.

General CRAIG McARTHUR is working very hard on the plans for the first Officer's Club on the moon. Colonel DAVID ALBANESE plans to have it located on his post there as soon as aerospace scientists LESLIE VAN DYKE, JOHN CINTRON and NORMAN CURRIER complete a magnetic space coup.

Lawyer GEORGE KREDELL and his secretary, PAT CANTU, have their hands full with one of their most recent cases. It seems civil engineer ELMOR HAMOR is being sued by DAVID HUTCHINSON, TONY BARANICK and HARRY DOCKERY for building a dam that cut off the water to their brewery. The case will come to court next month under the jurisdiction of Judge HARRY GARZA.

Looking up I see JAMES CRONAN flying his helicopter, the Roach, as an escort for Captain ANGEL VASQUEZ of the Salvation Army. He will be met at the Kennedy Airport by the ever-famous Salvation Army band under the directorship of ROBERT PAGAN.

MARGARET IRWIN has made quite a name for herself in bullfighting and is now a chief matadoraress of Mexico. JAYNE YOCUM has won the championship in the Grand Prix races and SKIPPER BERGER, her manager, announced their plans for a long vacation to spend all their profits. MARK TROSETH and RICHARD HULL are also champions, having won the three-legged race, one of the newer innovations at the Olympics this year.

Last week at Yankee Stadium, Notre Dame was again the champion with ROBBY THOMAS, JACK BLAIR, and TOM COFFIN being the star players. Upon questioning, the boys claim they owe all their successes to their hard-pushing coach, JANINE BEDSWORTH.

During half-time of this game, the majorettes, KATHY PENNINGTON, SHERIAN MEEKER and MARY POPE really outdid themselves when, with the lights out, they juggled raw luminous eggs.

ANDY LUNA, LOU HILSINGER and FRED GHENT are very important people these days, being in charge of the overall plans for the new canal in the upper provinces of Panama. This important issue has become a major point in the campaigns for LUIS ANTONOPUS and ALFREDO LEE, candidates for the presidency there.

MARGIE HURLOCK, TARA O'DEAR and DIANA WHALER are devoting all their time and talents to drawing cartoons for the Pink Fink which is under the management of GEORGE BEDSWORTH. SHIRLEY SHIPMAN is busy organizing a Girl's Nation on the Isle of Man, just off the coast of England. LINDA BURZA has won recent fame through her book, "How to Control Your Hiccoughs." ROBERT DOHLE has invented a special motorbike for girls called the Doily. MARY TORSTENSON, ROSA TSCHUMY and ANNABELLA PARSONS have founded Camp Frijoles, and have a thriving business manufacturing Girl Scout cookies.

DAVID COFFEY and his partner, GAIL YODER, have undertaken the mammoth job of designing the layout of the entire World's Fair in 1981. Fortunately, KENNETH BERNSTEIN, who is on the Planners' Board gave them a few years.

JAMES CONYNE and HOLLIS GRIFFON are the first Marine biologists to have finally communicated with the porpoises. Test and research are being conducted at DANNY HOLCOMB'S porpoise farm in Pina Bay. Psychologists LINDA LOYD and DELIA LASANTA have also teamed up to administer special tests of their own.

In the world of entertainment, a law suit is being brought against BETTY JANE RIEF, LAURIE WILL, and CAROL SMITH for modeling questionable costumes designed by BUNNY RYALS. RONNIE ROBINSON is their defense. Star witness will be ALEX GUADALUPE with photographs for evidence. MARCEL MATAMORIS, the girls' employer, stoutly denies any questionable activities in his club, the "62".

The stages of Broadway and Hollywood have claimed NANCY HULDQUIST and CRIS CLARKE, who are starring together in "You Can Take It with You!" Ballerinas KATHY STEVENSON, WENDY KURZDORFER and TERI HAND are doing a sneak performance called *The Dying Swans* at the Cow Palace Theater in New York. Carnegie Hall has been the host of BRUCE FLORA who has done many an encore for his Trumpeter's Delight (arranged by PETER BUTZ).

Rio Mar has become quite an attractive resort since LESLIE HIGHLEY and JOSEPH STEPHENSON planted a special machine in the waters there to make bigger surfing waves along the coast. BECKY BRENNER, their Surfer Girl, can be seen on posters everywhere. SANDY EDMONDSON, CANDY HUSBAND, and ROSALIE HEWITT have discreetly made millions running a gambling casino. Difficulties have arisen though it seems as CHARLES AMATO, a tax collector, has made them his special assignment.

CHS has made a new addition to the faculty with BERNARD MANS as principal. THOMAS BENERO teaches girls' gym, STEPHEN BOAT-WRIGHT teaches typing, and RUBY GONZALEZ teaches senior English. ROBERT WILL heads the home economics department, CINDY TERWILLIGER has done wonders managing the cafeteria, and BILL WRAY commands the ROTC with an iron hand. SANDY SHIRLEY is the girls' counselor, and ROSY DONOHUE never ceases to amaze with the way she mixes her chemicals. And last but by no means least, JANE SELSTAD has remained as permanent journalism typist and MARGARET MARTIN as permanent algebra tutor.

Australia has become known for its beautiful men ever since the arrival of FREDERICK C. NICOLAISEN who with his two charming assistants, RAMONA SANTA ANA and VIRGINIA GREEN, has opened a Beauty Salon for men.

VERONICA WALKER, MARIE GEER, IVONNE HARRISON and CATHY WILLARD have banded together as nurses and call themselves The Nightingales, doing work similar to the Peace Corp.

AUDREY DUNCAN, ROCIO CABEZAS, ESTHER ZIMMERMANN, and KATHLEEN O'DONNELL own a chain of beauty parlors called the BigWigs. CARL ENDER and GRISelda DELEON manage the factory supplying their wigs.

THOMAS ESTRADA and ERNIE HOBBS have discovered nicotine-free tobacco on their plantation in the South. Researchers JOANNE WILDER, INEZ PRICE and DELMA NEGRON have incorporated this discovery into a type of chewing gum.

ANNE MILLS has become a great success writing children's books and illustrates them herself at the suggestion of her publisher CECILA MARCOLA.

LOUISE RUSSON and her assistants, AMELIA BAMUNDO and PRISCILLA MORGAN are running a top-notch restaurant in Nome, Alaska specializing in the various types of cooked iguana, and poached iguana eggs, shipped straight from Panama.

After many years of hard struggle, RENALDO NG is at last the Blackbelt holder of Karate and plans to start schools all over the world with the help of multi-millionaire MARIO MAFFER who deals with selling used Barracudas. A new automatic sock darter has been recently turned out by the ingenious inventors, KARL COMPTON and JAMES JONES. This new device can be seen in the haberdashery store on Fourth of July Avenue owned by DIANA DEFREES and SUE GABRIEL.

Who goofed?
Robert Will, Dave Albanese, Skipper Berger, Jack Blair

She's off!

1965 HOMECOMING ASSEMBLY

The Tiger Stadium was the scene of activity and gaiety for the annual Homecoming Assembly held October 19, 1965. The assembly, planned by the 1965-66 cheerleaders, instilled within the Tigers, the drive for *VICTORY*.

The 1965 Homecoming Queen, Karen Hammond and her court were presented to the student body. The assembly proved to be very big success, for the Tigers of C.H.S. ran to another victory, with their lovely queen and court to cheer them on.

Our new cheerleader.

ROTC

The evolution of warfare from a stick, used by primitive man as a club to increase the striking power of his arm, to the employment of such intricate mechanical devices as the supersonic guided missile, has abolished the idea that an army could be organized, trained, and ready for combat overnight. No longer can a member of modern society like the pioneer in the days of the founders of our country, reach for his musket and join the others on the battlefield as a qualified and capable defender of his country. The more complex and difficult to master the weapon, and the tactics necessary to employ it, the more extensive must be the training of the officers and men who will employ it in action.

For a number of years, the parents in the Canal Zone worked to have the R.O.T.C. program made available to their sons in the Cristobal and Balboa High Schools. Their efforts had the enthusiastic backing of the Governor of the Canal Zone and the Commander, United States Army Southern Command. In the spring of 1948, the school authorities requested the Department of the Army to authorize establishment of R.O.T.C. training in the two high schools. The request for the Balboa High School was approved, but that for Cristobal High School was denied. The following year, after seeing the performance of the Balboa unit, the people of the Atlantic side became interested once again. In 1950, an R.O.T.C. unit was installed in the Cristobal High School.

Sponsors for R.O.T.C. are elected prior to the annual Awards Ball by the cadets themselves. Elected are three Seniors from which one will become Battalion Sponsor. This is decided upon by the number of votes each candidate receives. The other two become Company Sponsors. The Drill Team Sponsor is a Junior who is selected by members of the Drill Team.

Members of the R.O.T.C. Color Guard are selected by the Cadre at the beginning of the school year. They are selected upon appearance, bearing, height, and physical qualifications. The Color Guard presents its Colors whenever they are required at school functions.

Golf and electronics are the hobbies of Captain Carl S. Merlino, Assistant Professor of Military Science of the Cristobal High School R.O.T.C.

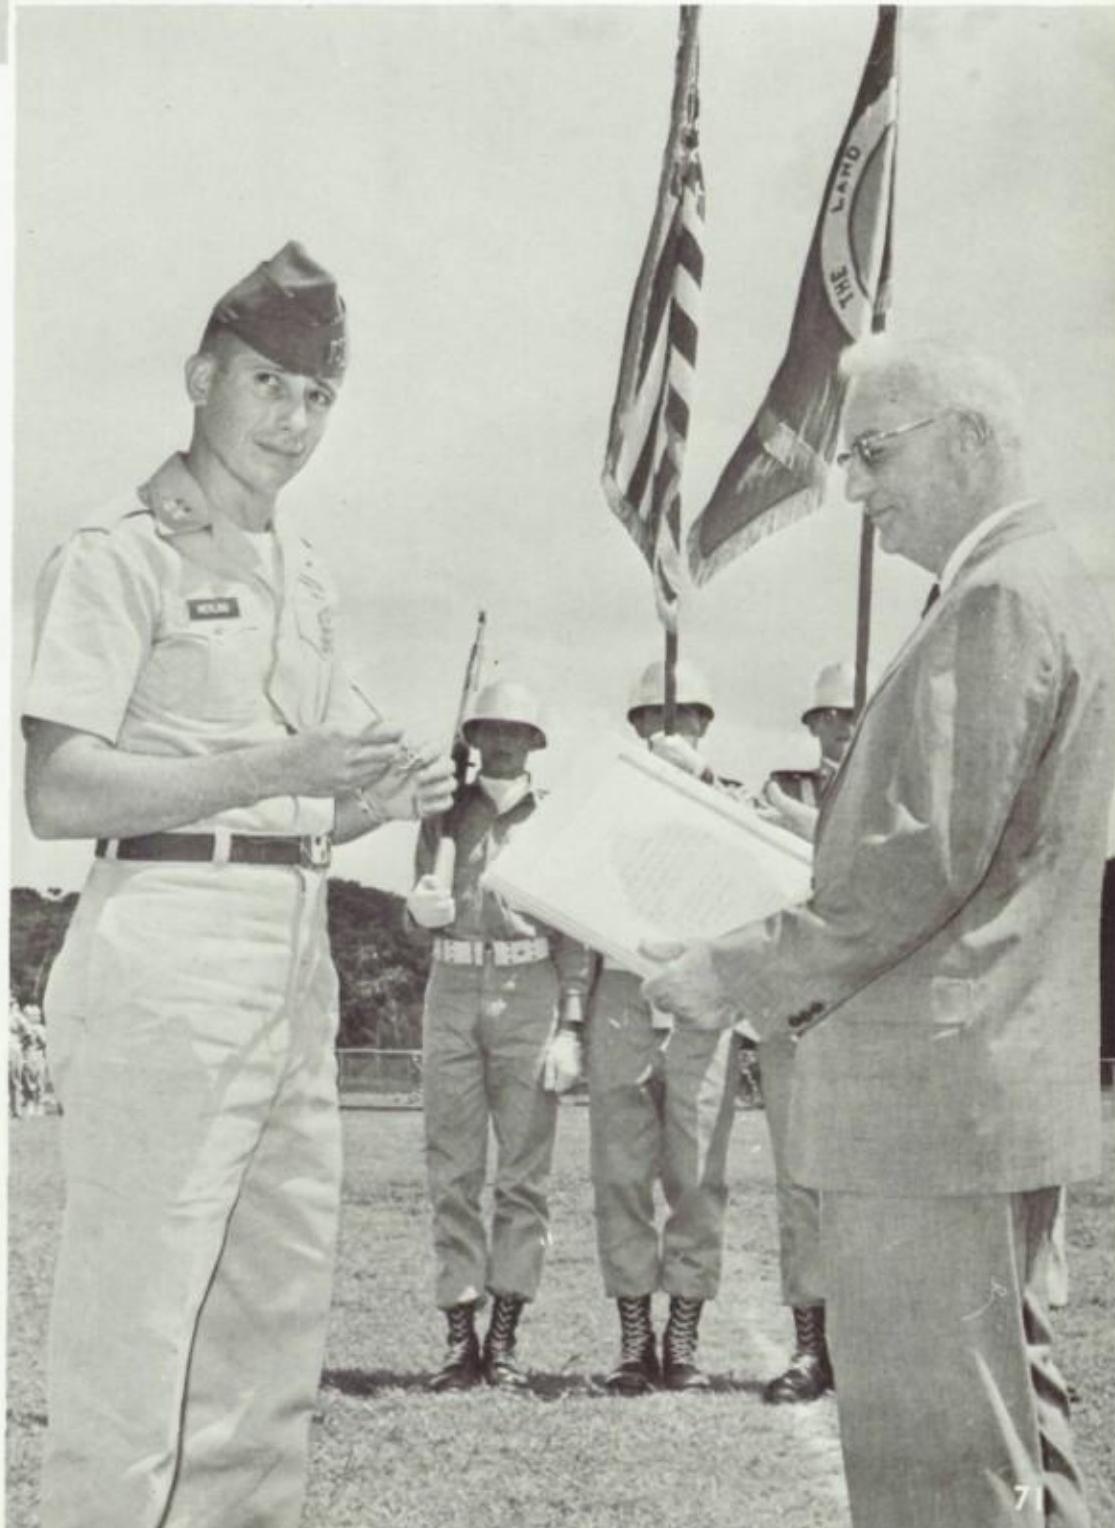

Captain Merlino came to the Canal Zone after serving tours of duty at Ft. Jackson, South Carolina, and Key West, Florida. He is a native of New Jersey and was graduated from the University of Pennsylvania. He has also attended Drexel Institute of Technology, Philadelphia, Pennsylvania.

This has been the first experience with high school R.O.T.C. When Captain Merlino first came to the school three years ago, there were 108 cadets. Today there are 158 students taking part in the program. A school must have 100 United States citizens cadets to maintain an R.O.T.C.

Captain Merlino is married to the former Ann Batchelor, who attended Canal Zone Junior College and received her Bachelor of Science degree from the University of Alabama. Mrs. Merlino is now a teacher at the Ft. Davis Elementary School. The Merlinos will go to Ft. Benning, Georgia where Captain Merlino will attend school.

Captain Merlino said, "I have enjoyed my tour here and my contact with the high school students and the teachers. I think Panama is a beautiful place and since I am a golf enthusiast I will certainly miss Panama's year-round golfing season."

Captain Merlino has been an asset to Cristobal High School. He has proven himself to be a man of fine character with a definite feeling of responsibility for the youth with whom he worked. He summed up his attitude when he said, "My main purpose in R.O.T.C. has been to build good citizens."

TALENTED TIGRESSES

Majorettes are an enjoyable highlight whose performances add much to halftime during football and basketball games. Their captain this year is Mary Pope, and with her leadership the girls have spent much time practicing routines.

The spirit of C.H.S. is not really a ghost or an invisible being but a group of 12 lively girls who have used their endless enthusiasm in keeping our Tiger Spirit alive. Besides cheering at every game these girls have put on pep assemblies utilizing their versatile talents in producing original skits. No wonder the Tigers won every game when they had drama such as this to inspire them. For example: one of the most amusing and memorable featured Eleanor Lewis as "Granny" who ran a candy store.

MUSIC GROUPS ENTERTAIN AT SCHOOL ACTIVITIES

Music class has always been a welcome change from the usual classroom studies at C.H.S. First period every day the chorus members start their day with a song. During fifth and sixth periods every day, when band and orchestra members meet for rehearsal, one can hear strains of familiar music mingled with the clicking of typewriters, turning of pages, and other sounds throughout the school.

The Christmas Concert this year was the result of many practices after school and at noon hours between the chorus and orchestra.

Immediately following Christmas vacation, the annual music department began practicing for the music festival which was scheduled and held in Balboa on March 5, and in Cristobal on March 12.

At every pep assembly the Dixieland band provided music, setting the mood of enthusiasm and excitement which is so much a part of every pre-game school day.

BAND DRUMS UP SPIRIT

The resounding beat of the bass drum, and the piercing notes of the brass, heard during fifth period and after school, are familiar to Cristobal students. Concert band rehearsals begin when the last football game has been played.

The climax of the musical season is the annual Music Festival. The entire music department of Cristobal joins with the musical groups from the other Canal Zone schools to put on an hour long performance featuring the sounds of Broadway shows.

The Dixieland band, composed of five talented boys, plays for pep assemblies, community activities, and for intermission at dramatic productions.

The orchestra and chorus rehearse constantly to develop their technique, and add to their repertoire the songs which they perform in concerts.

HONORS AWARDED AT ANNUAL ASSEMBLIES

Two Awards Assemblies are put on near the end of the school year to honor students who have excelled in some phase of school activities and to give awards, scholarships, and recognition to deserving students. There are awards given in athletics, music, dramatics, science, and language.

Scholarships are given by Caribbean College Club, American Legion Auxiliary, Elks, and Lions Club, all local organizations. Student Association and academic awards are given and the winners of the Voice of Democracy are announced.

Assistant Editor

When the dozen juniors and seniors entered the journalism room at the beginning of the year, they had no idea how much time they were destined to spend there during the weeks and months to come. As they became familiar with the materials needed and realized their responsibilities, their desire to make a yearbook that the students of C.H.S. could be proud of took root. It grew until each free moment of the day, each study hall and sometimes even hours after school and holidays and Saturdays were spent putting pages together, writing copy, typing, gathering advertisements and pictures, and doing all the other jobs that go into making of a good yearbook.

It certainly proved to be a continual job, and won't be finished until the annuals are all distributed. Only then can they sit back and relax.

STUDENTS PREPARE PROJECTS

March means frantic last minute preparations for the annual science exhibit, held in the rooms of Cristobal. The exhibit serves to focus attention on science study and to stimulate greater interest in science on the part of the students. Opportunity for display of scientific talent and hobbies is provided by the demonstration. The science exhibit also serves as a communication medium to the community to arouse their interest in science education.

COLORFUL CAMPAIGN PRECEDES ELECTION OF S.A. OFFICERS

From left to right: Marty Pope (Assistant Treasurer), Mary Clement (Treasurer) Bill Montgomery (President), Marianne Field (Vice-President), Karen Hammond (Secretary).

The posters in the halls, the campaign tags on shirts and purses, and the presence of the Progressive Liberal Party Bunny indicate the outset of the campaign for the election of the Student Association officers. A board of student and faculty nominate three candidates for each of the five offices; these candidates are presented to the students by their campaign manager at the convention assembly. A great change takes place throughout the school during the colorful week of campaigning. The students become animated with the excitement, all looking forward to the climax, the assembly and then the polls.

STUDENT CABINET ISSUES S.A. CARDS

Extracurricular activities were planned and carried out by the hard working Student Council. Bill Montgomery led his industrious officers and homeroom representatives through a year of change and progress. Mr. Gansen, the Student Council sponsor, guided the organization while it devised pep activities, such as the Sophomore-Freshman Brawl, the Snake Dance, Bonfire, and organized football trains to Balboa. The Student Council boosted spirit by selling Tiger sweatshirts, hats, pennants, pins, and shakers. In their meetings, the council stressed ideas that would be beneficial to the school as a whole.

The Student Council sought to improve the conditions in the cafeteria, revise the Student Association constitution, and set up a noon study hall. In addition to their regular business activities, the Student Council aided in the formation of new clubs, christened the old school bell the Victory Bell, and named the grandstand Tiger Stadium.

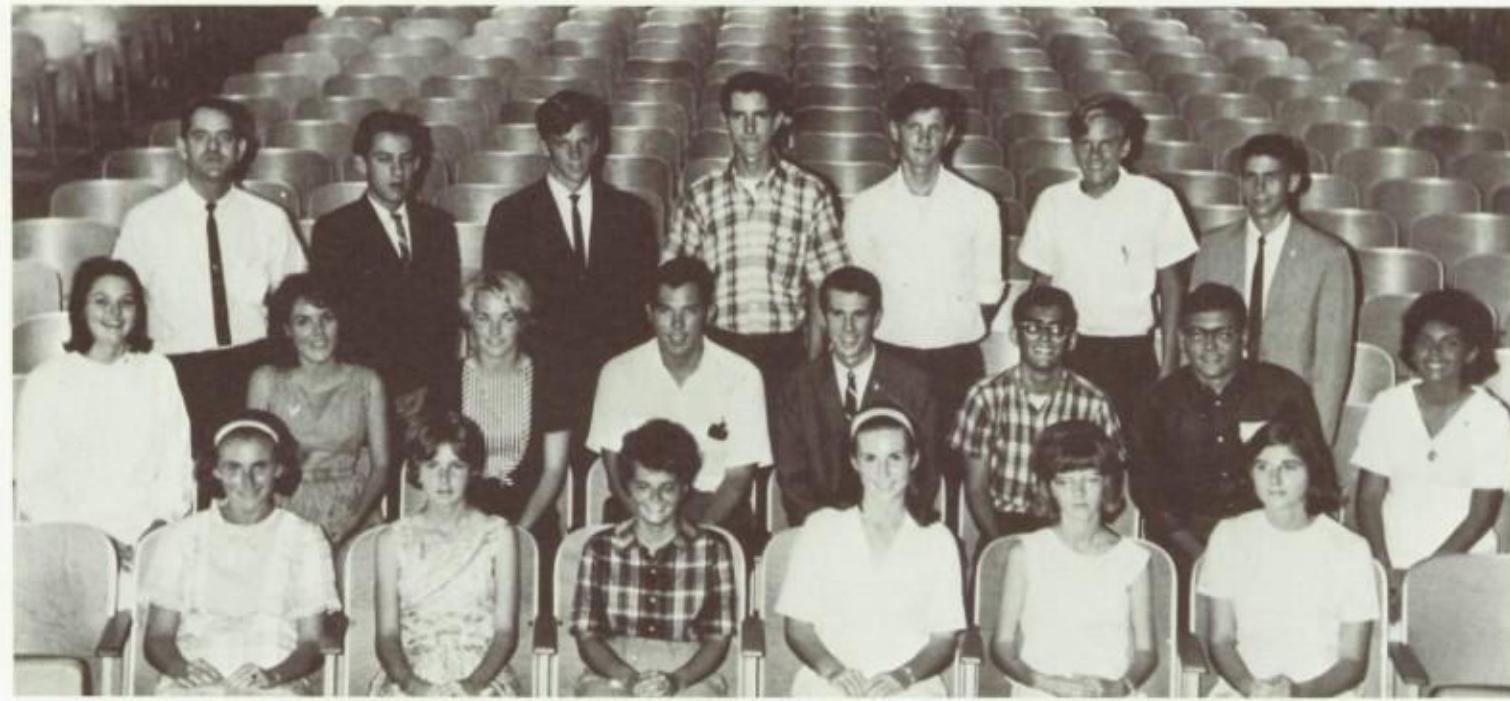

ALTERNATES ASSIST AT GAMES

The homeroom alternates compose the Athletic Council. This group is responsible for selling and taking tickets at all major sport events.

The Athletic Council also lends assistance to the Student Council in planning and decorating for dances. When a homeroom representative is absent from a Student Association meeting the alternate sits in his place and takes notes and reports to his homeroom.

Membership in the National Honor Society is the highest achievement a student may attain. A student must demonstrate outstanding qualities in scholarship, character, leadership and service to be elected to the Caribbean Chapter. The society holds two inductions a year to initiate the members selected by a faculty committee. Mr. Rex Hopson is the sponsor.

TWENTY-ONE CLUB MEMBERS GAIN BETTER UNDERSTANDING OF LATIN AMERICA

Twenty-one boys, representing a cross section of the school, form the foundation of the "21" Club, selected on the basis of academic standing, extracurricular participation and regard by their fellow students. The organization is dedicated to the study of Latin American countries. Each boy represents one of the twenty-one Latin nations. In previous years, the boys were required to write a paper on the country to which they had been assigned. An award for the best treatise was presented by the Rotary Club at a banquet, held at the Hotel Washington. Although the contest has been discontinued, the banquet is still an annual event.

The Choco Indians of the Darien province of Panama were the main recipients of the goods collected in this year's "21" Club charity program. This highly successful campaign derived most of its strength from the students of Cristobal. The items collected at school were delivered and distributed by Mr. Gansen and the club sponsor, Mr. MacFarland. Traveling by light plane and piraqua, a small boat, they worked their way into the dense jungle of the Darien province.

Under the enterprising leadership of Mario Maffei, the club president, other donations were made possible. Santa Luisa, the old folks home at Pilon, and the Escuela Arosemena of Colon received food, clothes and toys from the philanthropic club. The "21" Club made many lives brighter, especially at the Colon Orphanage, where toys and a Christmas tree were provided to add the finishing touches to the season of happiness.

THESPIANS GAIN KNOWLEDGE, EXPERIENCE IN DRAMA

This honor club is for those students who have excelled in dramatics. Those who have accumulated ten points by participating in the school sponsored plays are eligible to join the Thespians. The Society produces two, three-act plays annually. These productions are the result of many hours of hard work and behind the scenes preparation. This year Mr. Lou Fattorosi served as sponsor and directed one of the plays.

New to C.H.S., the Art Society encourages art work and stresses art appreciation. The organization plans exhibits of the works of members and also makes posters for various school functions. Applicants must present samples of their graphic work to the officers, and sponsor, Mr. Ed Koziol.

CLUB GIVES SOCIAL SERVICE

Nurses Aides Club constitutes a number of girls interested in nursing and helping other people. The club has many spirited projects under the direction of club president, Sandra Edmondson. Two projects included making tray favors for patients in the hospital and taking gifts out to Los Negroes in Gatun Lake. A banquet is held late in March as a final get-together for all the members. Sponsors for this club are Mrs. Pfau and Mrs. Young.

DRAMATIC CLUB ASSISTS IN PLAY PRODUCTION

Each year brings to the stage at least two dramatic productions. Instrumental in supporting these plays is the Dramatics Club. The organization is set up to instill greater interest in the performing arts and to aid the Thespian Society. The Dramatics Club provides the bulk of actors and actresses for the yearly productions. They also furnish the many hard working committees that are needed to make any organization run smoothly. This year the Dramatics Club aided all phases of the production of the plays, "What A Life" and "Arsenic and Old Lace".

GIRLS GIVE SUMMER TO SERVE COMMUNITY DO VOLUNTEER HOSPITAL WORK

Promotion of civil defense activities and opportunities to serve as a volunteer hospital aid are made possible by the Pink Girls. They work in all the different hospital wards during the summer, gaining invaluable experience. Over forty girls served this past summer. For the first week at the hospital, the girls attended classes to learn just how they

could help the patients. Mrs. Betty Sutton was the instructor of the classes, and there were a number of guest speakers for the group.

Membership is limited to girls with particular interest in community welfare and medicine. Sponsoring the club are Mrs. Pfau and Mrs. Young.

STUDENTS GAIN EXPERIENCE ASSIST TEACHERS IN LANGUAGE LAB WORK

"Habla espanol" and "Parlevois francais" are familiar sounds to language students studying in our language lab. The club is run by students who are studying a third language and demonstrate an interest in the operation of the laboratory. The purpose of the club is to assist the various language teachers while in the lab. Members must be currently enrolled in a foreign language and must have a "C" average in all other courses. A limited number of freshmen are accepted provided that they are studying two foreign languages. Organization sponsor is Mr. James Stearns.

STUDENTS HELP INSURE SAFETY TO SCHOOL

Safety Club sponsored by Mr. Reeves, consists of voluntary and select safety-minded students. Organized to insure safety practices throughout school the members serve themselves and others by stimulating safe behavior among their fellow students, as well as improving physical conditions in the school.

SPORT-MINDED GIRLS PARTICIPATE IN INTRAMURALS

Girls who have participated in two all star teams, or are among the top ten in the physical education point system, are eligible to join the Girls' Athletic Association. Members must participate in at least two sports a year. The G.A.A. helps officiate intramural games, and with "C" Club co-sponsor the Homecoming Dance. Mrs. Fattorosi sponsors the club.

LINGUISTS PROMOTE FRENCH CULTURE

In 1962, in an effort to promote an interest in French language, culture and history, Le Cercle Francais was established. Students who have maintained a "B" average in first semester French and French III students are eligible to join. The meetings are conducted in French, under the adept sponsorship of Mrs. Gegg.

This year the club visited the French luxury liner, the S.S. France, while it was docked in Cristobal during its Caribbean Cruise.

FUTURE TEACHERS STUDY PROFESSION

Every Thursday under the management of Tom Coffin, president of the Caribe Club, some 53 members gather to obtain a better understanding of the teaching profession and its principles. Guest speakers also attend some of the meetings and tell of their particular field.

In the fall of the year, 26 new members, who had to have at least a "B" average to be eligible, were initiated at a special banquet at the Elks Club.

Mrs. Gegg, club sponsor, together with Tom and his officers have planned an effective tutoring system whereby club members help those students who are receiving low marks in a subject in which the student tutor excels. Also, various students in the club have been called to substitute for teachers absent for a short period. Student Teachers' Day is the highlight of the year for the students to take over the class of their choice for a half day.

LIBRARIANS ORGANIZE

Although this is its first year in existence, the Library Club has twelve members. Its purpose is to promote the use of the library in the school. Such a club was suggested by the Middle States Evaluation Committee to stimulate interest in librarianship and to provide opportunities for students to participate in the development of an effective library program. The Library Club's first year has provided such opportunities by holding a book fair. Eligibility for the club requires that a member come from the ranks of library assistants.

HONOR SOCIETY STRIVES TO ACHIEVE JOURNALISM SKILLS

Quill and Scroll, an honorary society for outstanding journalism students, made expansion a key word in its activities this year by adding new members. The C.H.S. Chapter of the National Quill and Scroll was organized in 1945 with twelve charter members. Membership is restricted to juniors and seniors who must rank in the upper third of their class, scholastically. In addition, eligibility rests on the achievement in some phase of journalism or school publication work. Miss Ann Siebrands is the club sponsor.

FAREWELL BANQUET GIVEN TO SENIORS BY CLASS OF '66

Last year on April 30, 1965 at the Elks Club, the juniors put on the traditional banquet for the seniors. Fond memories were revived as Pam Robertson reminisced over the seniors' school years together and the re-enactment of a few choice skits from their past assemblies added much hilarity to the evening.

Also noted was the presence of Mr. Beck, because of his retirement, who was making his last appearance at a Jr. Sr. Banquet. Regret was expressed by the students in a deep-felt standing ovation.

JAMBOREE HERALDS FOOTBALL SEASON

Majorettes, a fire truck full of cheerleaders, and queens riding atop convertibles announced the commencement of the 16th Annual Football Jamboree. This interscholastic event opens the season with a contest among Cristobal High School, Balboa High School, Canal Zone College and Schools Division Athletic Club. The teams met September 24th at Tiger Stadium.

Each team plays the other three teams for a total of six quarters. The winner of the Jamboree was S.D.A.C. who scored a total of 19 points. C.Z.C. scored 18 points; C.H.S., 13 points; and B.H.S., 0.

The Jamboree was dedicated to Mr. Paul L. Beck, retiring principal of Cristobal High School.

The Jamboree was inaugurated in 1950, one year after tackle-football was started on the Isthmus. The idea was conceived by Mr. Luke Palumbo, former C.H.S. coach.

QUEEN KAREN AND COURT HIGHLIGHTS HOMECOMING DANCE

The center of excitement and gaiety for October 20, 1965, was the Coco Solo gym. The Girls' Athletic Association and the "C" Club effectively converted the gym into a ballroom.

Master of ceremonies for the evening was Mark Troseth. Entrance of the queen and her court was announced as follows: Princess Becky Brenner, Marquise of the Gardenias, Keeper of the Pearls, Daughter of the Evening, escorted by Leslie Highley, Knight of the Golden Armor, Chief Cleaner of the Uniforms, and Receiver of the Passes;

The Captured Kiss

The climax of Christmas festivities was the annual Christmas formal given by the Senior Class. The theme selected by the Class of '66 was Santa's Soiree and was carried out with a pink-cheeked, lovable, crepe paper Santa who reigned supreme behind Ramon Mouynes and his Conjunto. Stars hung from the ceiling for a romantic effect and golden Christmas bells heralded an evening of fun. Each table was wrapped as a Christmas package and Santa's little elves carefully guarded them.

Highlighting the evening was the announcement of the winners of the Senior Hall of Fame by Mr. Paul L. Beck. Mr. Beck, retiring principal of Cristobal High School, was presented with a plaque from the Student Association and a Panamanian hat from the Senior Class.

Senior Class sponsor, Mrs. Dorothy Smith, worked with the numerous committees to make the dance the success it was.

DRAMATISTS PRESENT PLAY TO CAPACITY AUDIENCE

How much trouble can one boy get into? In the Thespians' fall play, *What A Life* presented on November 19, 1965, at the Cristobal High School auditorium, Henry Aldrich (Dan Bridgeford) proved that question to be difficult to answer.

"Oh yes, you're Henry Aldrich, we're getting to know you quite well around here," states Miss Shea (Suzanne Thomas), who is secretary to Mr. Bradley (Clifford Bell), principal of Central High School. Henry does seem to have one member of the faculty on his side, Mr. Nelson (Doug Jones), assistant principal.

Henry's mother (Jama Acuff) tells him that he must make the highest mark in the class on his Roman History test in order to go to the Spring Dance. Knowing that to be practically impossible, Henry finds it necessary to "take a peek" at the paper of George Bigelow (George Bedsworth). Henry is caught cheating and expelled from school.

To keep from telling Barbara Pearson (Jane Bridgeford), the girl he has already asked to the dance, that he has been expelled, and will be unable to take her to the dance, he tells her that his uncle is dying and he has to go see him.

Poor Henry, his troubles seem endless. So went the evening, a laugh a minute produced by a cast who did a commendable performance.

At the close of the performance, the cast presented a gift as a token of their appreciation, to their director, Mr. Bailey.

Other members of the cast were Charlotte Moore, Cris Baas, Will Graham, Alice Zimmermann, Angel Vazquez, Jane Robertson, Val Jordan, George Kredell, Shirley Shipman, Nancy Huldtquist, Tom McLain, Pat Green, Bonnie Elmore, and Hal Wade.

THEATRE GOERS ENJOY EVENING OF COMEDY

March 26 was the date of the last 1965-1966 school year Thespian production, "Arsenic and Old Lace". Fast moving action, snappy dialogue, a well-planned cast and superb direction by Mr. Louis Fattorosi gave the audience an evening of delightful comedy.

The story revolves around two eccentric sisters and one of their very odd charities with the use of strychnine, cyanide, and arsenic. Mortimer finds it hard to believe that his two, lovely, little aunts could have poisoned, and buried in the cellar, twelve men. To complicate matters further, Mortimer's brother, Jonathan, shows up after having disappeared many years before. To everyone's surprise, Jonathan has a "gentleman" of his own, whom he plans to add to his aunts' cellar collection. He is in for a surprise, however, for Aunt Martha and Aunt Abby are not about to allow a "total stranger" to be buried in their cellar.

Upon finding that Teddy, his brother, who thinks that he is Teddy Roosevelt, is not the only "crazy Brewster", Mortimer decides that no Brewster should marry and breaks his engagement with Elaine Harper.

When Martha and Abby discover that Mr. Witherspoon, president of Happy Dale Sanitarium is really a very lonely man, they decide that he should taste their elderberry wine. As Mr. Witherspoon tastes the wine, the curtain falls... and so does he.

Featured in the cast were, Jama Acuff as Abby Brewster, Doug Jones as Rev. Harper, Skip Berger as Teddy Brewster, Will Graham as Officer Brophy, George Bedsworth as Officer Klein, Nancy Huldtquist as Martha Brewster, Jane Bridgeford as Elaine Harper, David Coffey as Mr. Gibbs, Harry Dockery as Jonathan Brewster, Clifford Bell as Dr. Einstein, Tom McLain as Officer O'Hara, Cris Clark as Lieutenant Rooney, and Ken Bernstein as Mr. Witherspoon.

TIGERS TRIUMPH IN UNDEFEATED SEASON

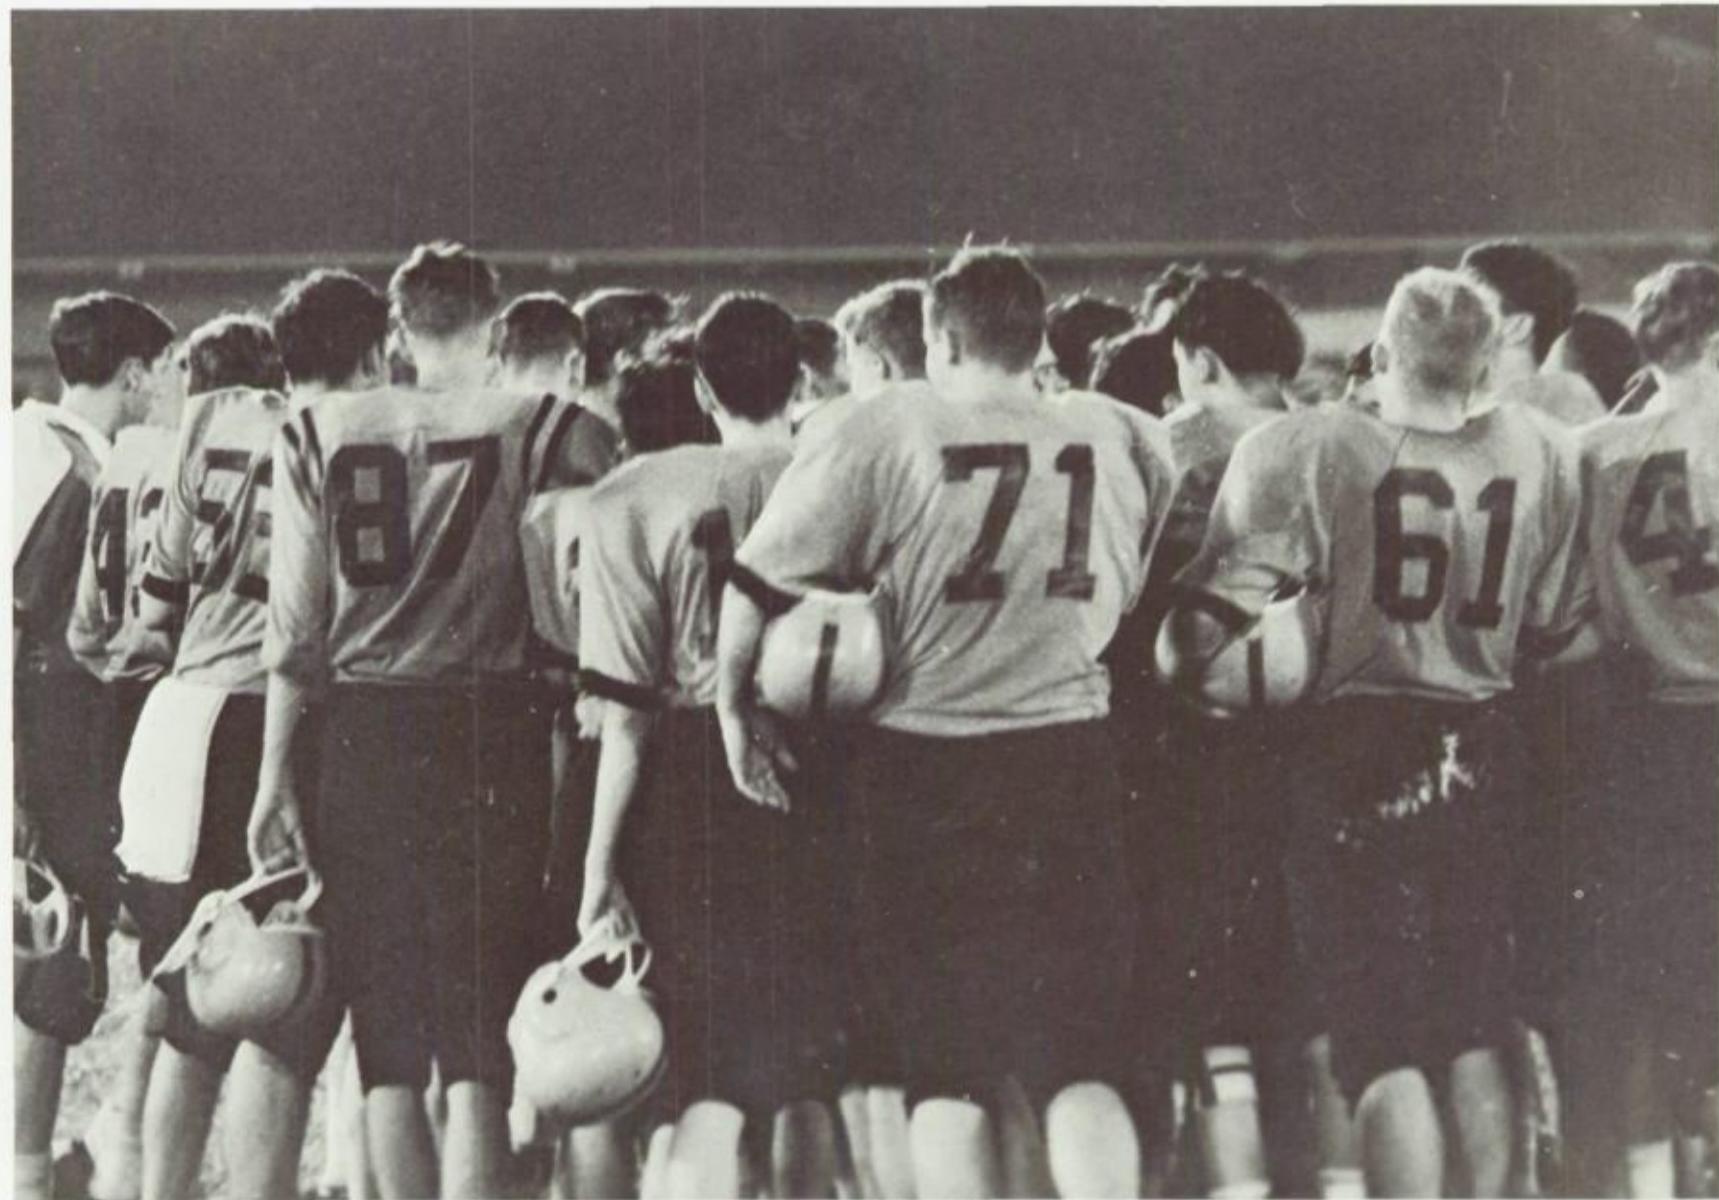

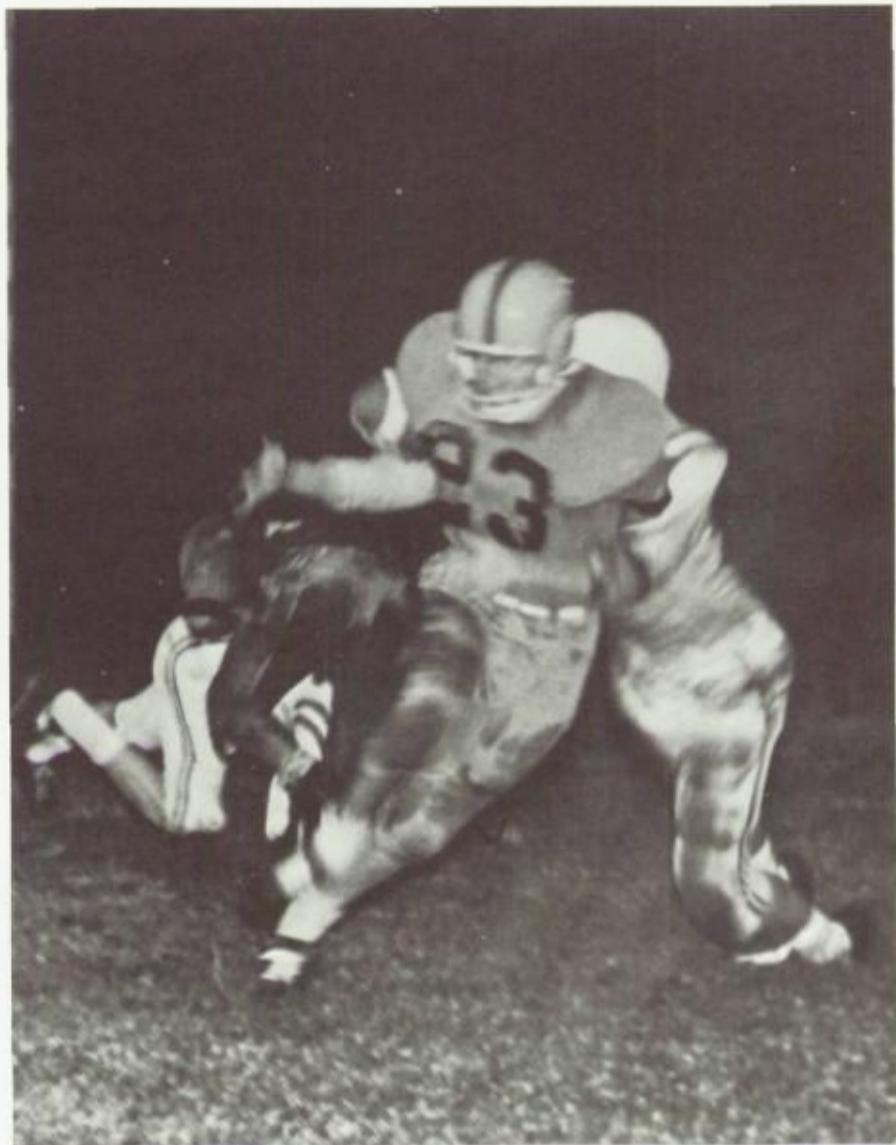

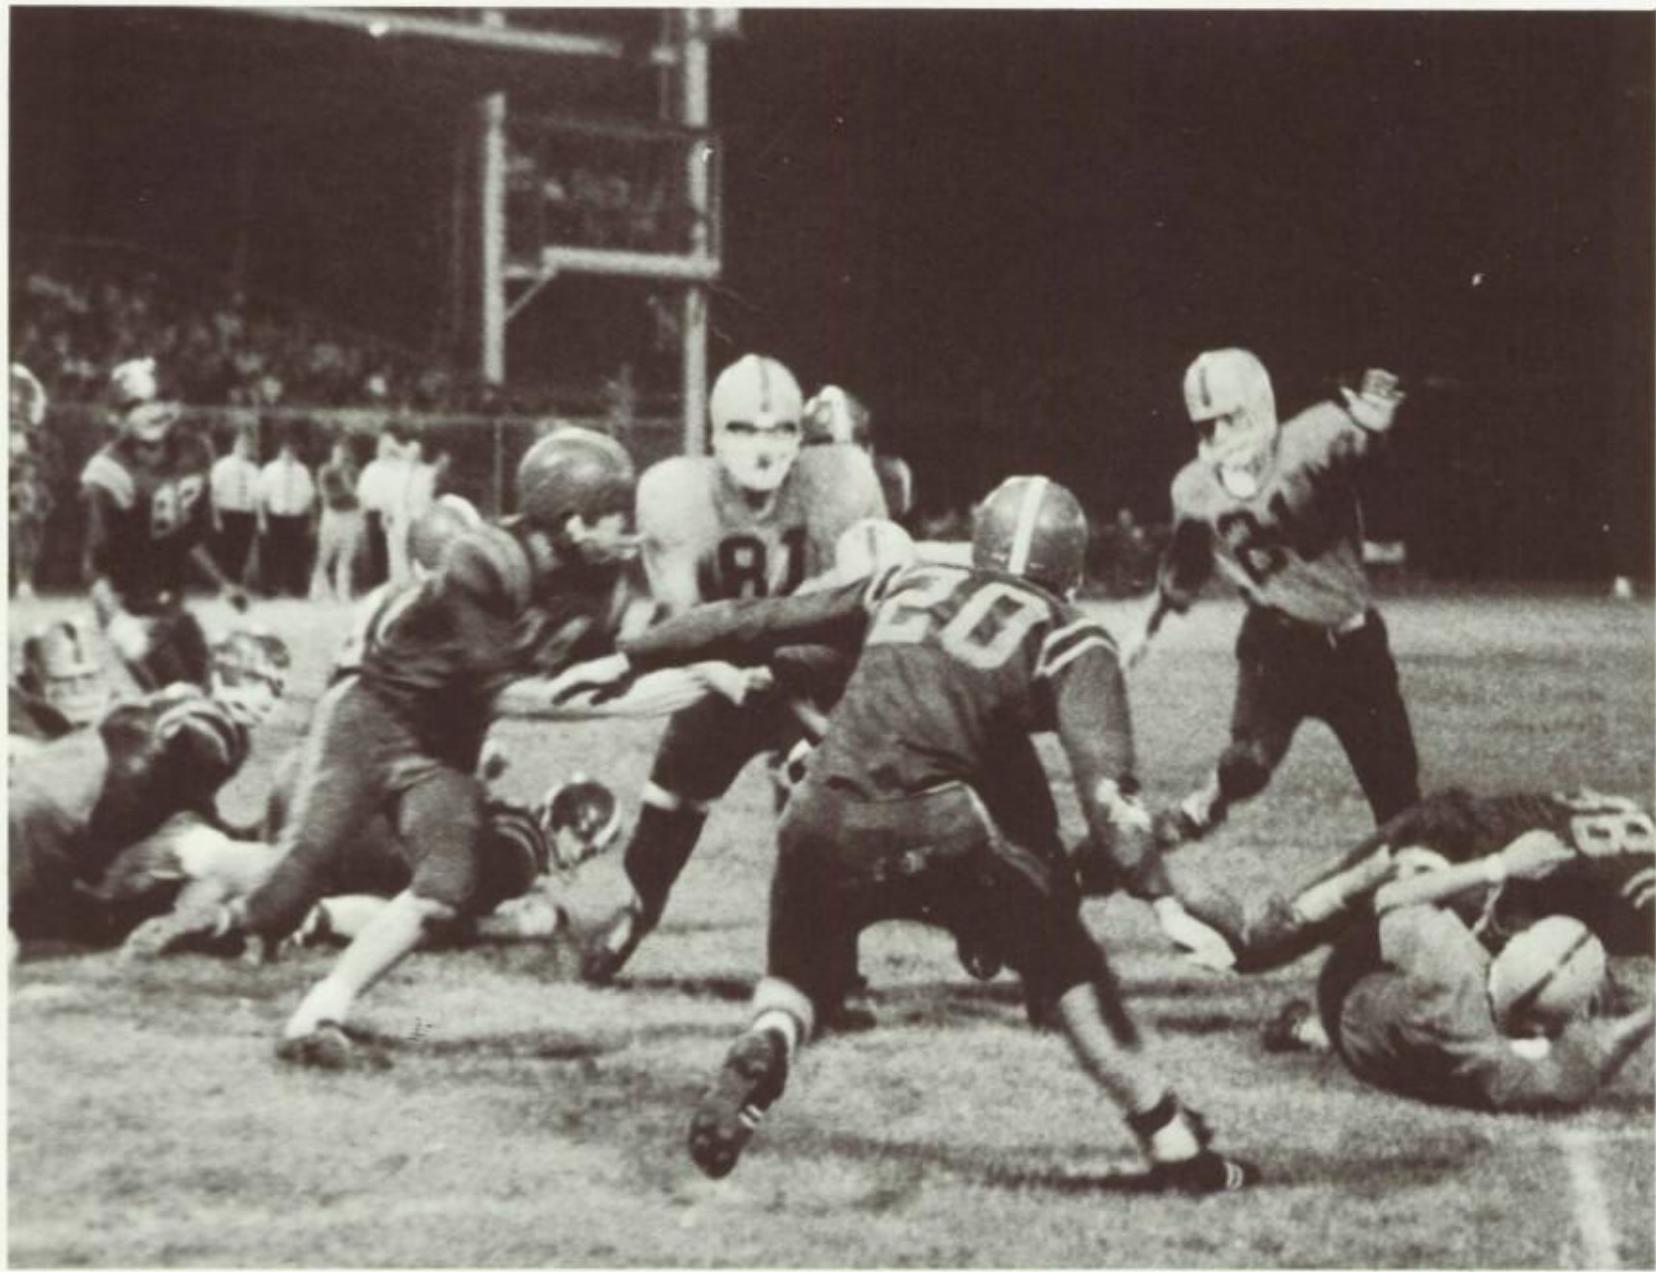

Fresh in the mouths of the Tiger football team was the taste of last year's undefeated season. This year when the team emerged from the "Tigers' Den" they went on prowl, searching for their prey, victory. The tough squads, coached by Mr. Douglas Litton, and Mr. Louis Dedeaux, fought together to win. The top notch coaching linked with the Tigers' dynamic spirit proved too much for their opponents. The screaming enthusiastic fans were never disappointed by the performance of the team. All the hard work, sweat and time paid off. Even though they faced the older, heavier and more experienced teams of Schools Division Athletic Club and Canal Zone College, nothing could stop their second consecutive undefeated season.

STAMINA AND SPEED SHATTER TRACK RECORDS

The speedy Tigers rocketed to another successful track season, with their typical daring and agility. Under the skilled coaching of Mr. Moser, the track athletes swiftly captured the Inter-Scholastic competition to become the Canal Zone champions and add another prize to the trophy case. The Tigers blasted off to their first win against Canal Zone College and continued their good showings against Balboa High School and the United States Army track teams. Mark Troseth shattered the old record in the 880 yard run. Fellow members of the track team Chuck Weber, Angel Vazquez, Mitch Matamores, Bill Hanly, Jack Sanders and John Fettler, also set rapid paces that helped win the final victory. Since 1960 the Tigers have been defeated but twice in the interscholastic league and have remained undefeated since January 1963.

TIGERS '66 BASKETBALL SEASON OUTLOOK OPTIMISTIC

In Canal Zone Schools basketball season starts in March, with the first game scheduled for March 11, therefore as our book goes to press we have no scores.

The Tiger Cagers faced the new season with the team looking forward to success. This year the Tigers were rebuilding their team. Many of the players were young and inexperienced, though anxious to gain the valuable knowledge found on the courts. Their opening game was played in the new air-conditioned Curundu Gym. It also was the first interscholastic game to be played on the tile floor.

FOUR WIN COVETED AWARDS

Beginning in 1957, the title of "Most Valuable Player" was given to four persons, each of whom excelled in one of the four major sports of football, baseball, basketball and track. Previously, only the "Most Valuable Football Player" had been honored. An "All Sports Award" is given to the best all-around boy and girl who have excelled and lettered in sports.

As the yearbook goes to press the 1966 "Most Valuable Player in basketball and the "All Sports Award" recipients have not been selected.
